What is the Current Record?

The current Guinness World Record™ for the most kites flown simultaneously is 967 at Gliding field in Melle Gronegau, Germany on Aug 29, 2008.

Who will know if we will have a windy enough day?

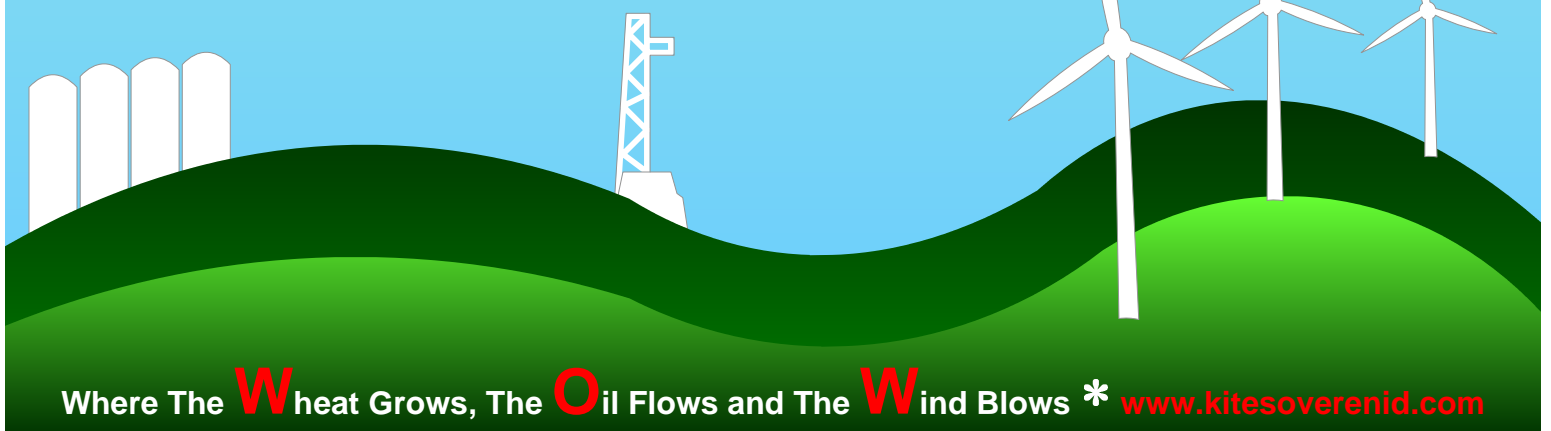

Gary England is the Official Event Meteorologist. We are in the heart of Oklahoma where the wind comes sweeping down the plains!

From kites to the wind, what makes Enid an Energy Center?

Northwest Oklahoma is located in the heart of the nation’s **W**heat Belt, **O**il & Natural Gas Production, and **W**ind Corridor. Enid is a natural location for new Wind Energy businesses and related Manufacturing as well as other agricultural, energy and natural gas businesses.
